# Get involved & make a difference in your community today!

Volunteers play an integral role in bringing to life our shared vision of inclusion and ensuring that everyone has the chance to fully participate in community life.

## Community Connectors

Spend time with individuals we support to explore hobbies or share your unique talents. Meet new people and engage in a range of social activities.

## Transportation Volunteers

Many individuals we support struggle to get around in the community. Help provide access to employment, appointments or recreational activities.

## Event Volunteers

CLKD holds a number of events throughout the year, including our Annual Golf Tournament, Spring Fling and Christmas Party. Help us to plan exciting community events!

Flexible connections will be made based on mutual goals, desires and availability. Enjoy the fulfillment that comes with giving back to the community!
