"Since our first arrival in Kincardine back in 2015 Community Living was the first local organization we were able to engage with. We are not only active in the same town, we are also neighbors on Lambton St. **2mPower** is one of the fortunate organizations to engage in CLKD's workplace program and we have been a proud partner ever since our beginning. **2mPower** actively supports Community Living by providing employment opportunities, supporting events, auctions and donations. As a proud member of the Kincardine community **2mPower** looks to furthering all of the relationships we have built supporting diversity and advocating for inclusion." - *Steven Poyner, 2M Power.*

Inspire Possibilities with us!

Community Living Kincardine & District (CLKD) is a charitable organization striving to create a welcoming and accessible community that embraces people of all ages and abilities.

For over 60 years, CLKD has been supporting people with developmental disabilities to live enriched and meaningful lives, as independently as possible, fully connected to their community. In 2024, CLKD expanded support and programming to all people aged 55+ in our community through the Seniors Active Living Centre program known as ActiveLiving55+. Our goal through Active Living 55+ is to ensure all people aged 55+, regardless of their ability, are supported to live, and age, connected and supported in their community.

Funds raised at the CLKD Charity Golf Classic will be used to enhance CLKD programs and services for infants, children, youth, and adults with developmental disabilities, as well as all people aged 55+, to live full and active lives.

To learn more about the impact of our organization, please visit our website, www.clkd.ca and follow us on Facebook and Instagram.
